# EXPLANATORY MEMORANDUM

## Resolution 1 – Financial Statements and Reports

The Corporations Act requires that the report of the Directors, the report of the Auditor and the financial reports be presented to the annual general meeting. In addition the company's constitution provides for such reports and statements to be received and considered at the meeting.

## Resolutions 2-5 – Election of Directors

Under clause 16.1 of the constitution of the Company one half of the current Directors (excluding the Managing Director, any Director appointed under rule 13.2 and any Director who has vacated his/her office under clause 15.1) must retire by rotation at each annual general meeting.

In accordance with this rule, James Verco, Graham Tamblyn and Trevor Johnson retire at the end of the meeting. James Verco, Graham Tamblyn and Trevor Johnson, being eligible, present themselves for re-election.

Mr Jeffrey Forbes was appointed to the Board since the last Annual General Meeting under rule 13.2. In accordance with rule 13.2 of the Company's constitution, being eligible, Mr Forbes presents himself for re-election.

A summary of each candidate's experience and qualifications appear in the Annual Report.

## Resolution 6A,6B & 6C – Ratification and approval of previous issues of securities

The purpose of these resolutions is for shareholders to approve/ratify, pursuant to Listing Rule 7.4, those share issues which occurred during the 12 months before the date of this Annual General Meeting which count toward the Company's 15% limit under Listing Rule 7.1.

Listing Rule 7.1 provides that (subject to certain exceptions, none of which is relevant here) prior approval of shareholders is required for an issue of securities if the securities will, when aggregated with the securities issued by a company during the previous 12 months, exceed 15% of the number of the shares on issue at the commencement of that 12 month period.

The allotment and issue of shares detailed in these resolutions did not exceed the 15% threshold. However, Listing Rule 7.4 provides that where a company ratifies an issue of securities, the issue will be treated as having been made with approval for the purpose of Listing Rule 7.1, thereby replenishing that company's 15% capacity and enabling it to issue further securities up to that limit.

These resolutions propose the ratification and approval of the allotment and issue of shares for the purpose of satisfying the requirements of ASX Listing Rule 7.4.

The information required to be provided to shareholders to satisfy Listing Rule 7.4 is specified in Listing Rule 7.5.

## Resolution 7 – Directors’ Remuneration Report

The Corporations Act requires that the section of the report of the Directors dealing with the remuneration of Directors, the Company Secretary and up to 5 Senior Executives (‘Remuneration Report’) be put to shareholders for adoption by way of a non-binding vote.

The Remuneration Report may be found in the Annual Report.

Following consideration of the Remuneration Report, the Chairman will give shareholders a reasonable opportunity to ask questions about or to make comments upon, the Remuneration Report.

## Resolution 8 – Issue of Options to Executive Directors

The Company proposes to issue 60,000 Options to Andrew Buckley, 30,000 Options to Trevor Johnson, 30,000 Options to Jeffrey Forbes, 15,000 Options to Stephen Moss, 15,000 Options to Graham Tamblyn and 15,000 Options to James Verco. The proposed issues are in accordance with the Performance Equity Plan approved by shareholders at the 2004 AGM. The terms of these Options (as set out in the Schedule to this Explanatory Memorandum) are the same as that which will apply to any Options issued under that plan until the next Annual General Meeting of the Company.

The effect that the exercise of the Options will have on the share capital of each of the grantees (assuming all 2004 and 2005 Options have been exercised and that there are no other changes in the share capital of each grantee or that of Cardno prior to the exercise of the Options and that all of the Options are exercised) is set out in the following table:

	Shares currently held (including 2004 and 2005 Options)	%	Shares held following exercise of Options	%
Andrew Buckley	2,315,810	4.91	2,375,810	5.02
Trevor Johnson	1,962,990	4.17	1,992,990	4.21
Jeffrey Forbes	2,500	0.01	32,500	0.07
Stephen Moss	579,771	1.23	594,771	1.26
Graham Tamblyn	1,468,000	3.12	1,483,000	3.14
James Verco	1,114,947	2.37	1,129,947	2.39

An exact valuation of the Options cannot be derived until the exercise price can be ascertained. The terms of the Options provide that the exercise price will be calculated as the average market price per share (weighted by reference to volume) during the 5 trading days ending on the day before the issue of the Options.

In order to assist shareholders in making a decision on this resolution, the table below sets out a range of values for the Options at varying exercise prices. For the 5 trading days from 22 August 2006 until 28 August 2006, the weighted average of the market price per share, was \$4.71. This exercise price has therefore been used as a basis for the range of exercise prices.

Exercise Price (\$)	Value of Andrew Buckley Options (\$)	Value of Trevor Johnson Options (\$)	Value of Jeffrey Forbes Options (\$)	Value of Stephen Moss Options (\$)	Value of Graham Tamblyn Options (\$)	Value of James Verco Options (\$)	Total Value of Options (\$)	Value per Option (\$)
4.51	13,800	6,900	6,900	3,450	3,450	3,450	37,950	0.23
4.61	13,800	6,900	6,900	3,450	3,450	3,450	37,950	0.23
4.71	14,400	7,200	7,200	3,600	3,600	3,600	39,600	0.24
4.81	15,000	7,500	7,500	3,750	3,750	3,750	41,250	0.25
4.91	15,000	7,500	7,500	3,750	3,750	3,750	41,250	0.25

The Options have been valued in accordance with AASB 1046 using the Black Scholes method, adjusted to recognise the non-tradability of the options, the fact that they are extinguished if the recipient leaves the company and the introduction this year of a condition that the options will only vest if the earnings per share increases by 5% per year compounded over the two year period prior to vesting.

The Board draws Shareholders’ attention to the fact that the stated valuation does not constitute and should not be taken as audited financial information. The reportable value of the employee benefit expense in a subsequent financial period may vary due to a range of timing and other factors.

The Board believes this method of valuation to be appropriate in the circumstances and has not used any other valuation or other models in proposing the terms of the Options.

The Board also believes the issue of Options to each of Andrew Buckley, Trevor Johnson, Jeffrey Forbes, Stephen Moss, Graham Tamblyn and James Verco will provide these participants with an appropriate incentive to maximise the return to shareholders over the long term and assist in developing a unity of purpose for both Cardno management and shareholders.

## Listing Rule Requirements

Listing Rule 10.11 provides that a listed company must not, without the approval of ordinary shareholders, issue equity securities to a related party. A director is a related party for the purposes of the Listing Rules. Listing Rule 10.14 also restricts the issue of securities under an employee incentive scheme to directors.

None of the exceptions to the prohibition which are set out in Listing Rule 10.12 apply to the issue of the Options to Andrew Buckley, Trevor Johnson, Jeffrey Forbes, Stephen Moss, Graham Tamblyn or James Verco.

Specific information which must be provided to Shareholders in accordance with ASX Listing Rules 10.13 and 10.15 is set out below.

**Names of persons entitled to participate:** Andrew Buckley, Jeffrey Forbes, Trevor Johnson, Stephen Moss, Graham Tamblyn and James Verco.

**Allottees and number of securities issued:** It is proposed that 60,000 Options will be issued to Buckland (Qld) Pty Ltd as trustee for the Buckley Family Trust (an associate of Andrew Buckley), 30,000 Options will be issued to Trevor Johnson as trustee for the Johnson Family Trust (an associate of Trevor Johnson), 30,000 Options will be issued to Jeffrey Ian Forbes & Janina Jane Forbes as trustee for the Forbes Superannuation Fund (an associate of Jeffrey Forbes), 15,000 Options will be issued to Lavalhars Pty Ltd as trustee for the Stephen Moss Superannuation Fund (an associate of Stephen Moss), 15,000 Options will be issued to Tamblyn Investments Pty Ltd (an associate of Graham Tamblyn) and 15,000 Options will be issued to KMS Properties Pty Ltd as trustee for the Verco Family Trust (an associate of James Verco).

**Date by which the securities will be issued:** Within 5 days after the Annual General Meeting.

**Issue price and terms of issue:** There is no issue price for the Options and the terms of issue of the Options are set out in the Schedule to this Notice of General Meeting.

**Use of funds raised:** There will be no funds raised solely as a result of the issue of the Options.

**Loans:** There will be no loans given to the Directors to fund the exercise of these Options.

For the purpose of Listing Rule 10.14 no persons have received securities under the Performance Equity Plan since the last approval.

By reason of Listing Rule 7.2 (Exception 14), if the approval of shareholders for the issue of the Options is obtained pursuant to Listing Rule 10.11, approval is not required pursuant to Listing Rule 7.1. This means that the proposed issue of the Options to Andrew Buckley, Trevor Johnson, Jeffrey Forbes, Stephen Moss, Graham Tamblyn and James Verco will not erode the Company's ability to issue equity securities up to the 15% limit prescribed by Listing Rule 7.1 without further shareholder approval.

## Corporations Act requirements – related party transactions

Section 208(1) of the Corporations Act provides that a public company must not, without the approval of the Company's members, give a financial benefit to a related party. Each of Andrew Buckley, Trevor Johnson, Jeffrey Forbes, Stephen Moss, Graham Tamblyn and James Verco are related parties of the Company for the purposes of section 228(2) of the Corporations Act as they are Directors. The issue of the Options will constitute the giving of a financial benefit to a related party for the purposes of section 229(3)(e) of the Corporations Act. None of the exceptions to the prohibition which are set out in sections 210 to 216 of the Corporations Act apply to the issue of the Options.

Specific information must also be provided to Shareholders in accordance with section 219 of the Corporations Act. The majority of this information is set out above in accordance with Listing Rule 10.13 with the balance of the information regarding the Directors' recommendations set out below.

Each of the Directors not eligible to participate in the Performance Equity Plan, being John Massey and Ian Johnston ('Non-Executive Directors'), wish to recommend that shareholders vote in favour of this resolution to grant the Options to Andrew Buckley, Trevor Johnson, Jeffrey Forbes, Stephen Moss, Graham Tamblyn and James Verco because the issue of the Options will provide appropriate incentive to maximise the return to shareholders over the long term and assist in developing a unity of purpose for both Cardno management and shareholders.

Andrew Buckley, Trevor Johnson, Jeffrey Forbes, Stephen Moss, Graham Tamblyn and James Verco do not wish to make a recommendation in respect to this resolution as they are directly interested in its outcome.

If all the Options the subject of this resolution are granted and exercised then the Company's fully paid share capital will be diluted by approximately 0.36% (based on the existing number of shares). The amount of the subscription monies that the Company will receive on exercise of the Options cannot be determined as at the date of the Notice of Annual General Meeting.

The Non-Executive Directors consider that the incentive represented by the grant of the Options is a cost effective and efficient incentive when compared to other forms of incentive.

The primary purpose of the Options is to reward performance and provide an incentive to Andrew Buckley, Trevor Johnson, Jeffrey Forbes, Stephen Moss, Graham Tamblyn and James Verco. Given this purpose, the Non-Executive Directors do not consider that there is any opportunity cost or benefit foregone to the Company in granting the Options, the subject of this resolution.
